

Friends of Savannas Preserve State Park present

Rain Barrels

A Florida Yards & Neighborhoods Program

by Fred Burkey & Pat Bonis

Thursday, December 17, 6:30 pm

Savannas Preserve State Park

Education Center

2541 Walton Road, Port St. Lucie

772-398-2779

Water conservation should be on everyone's mind—if it's not already!
Fred Burkey, Multi-County Extension Agent, and Pat Bonis, Program Assistant
from the University of Florida Extension Office,
will present this workshop on rain barrels.

**Ease of set-up is amazing,
conservation is incredible,
and cost is minimal.**

**Rain barrels can be purchased through
Pat Bonis for completing the workshop.**
