

Another Successful FYN (Florida Yards and Neighborhoods) Yard Recognition

Shown here is the tropical paradise created by one of our new Master Gardeners, Cindy Doney. She has two acres on the water and has been gradually adding to her plant collection thanks to plants she has gratefully received from other Master Gardeners. Her yard was visited by one of our Florida Yards and Neighborhoods Teams (FYN) led by Jody Borecki and Geri Pileggi.

Cindy's yard earned the highest recognition possible, Golden Oak, by living up the program's principles:

Right plant right place

Water Efficiently

Fertilize appropriately

Mulch

Attract Wildlife

Manage Yard Pests responsibly

Recycle

Reduce storm water runoff

Protect the water front.
