Congratulations to Ted McGowan, the Martin County Master Gardener of the Month from the University of Florida, Martin County Extension Service. Ted is a recent graduate of the fall 2005, Master Gardener Program and has already volunteered much of his time to the Master Gardener Program. Along with fellow Master Gardeners, he spent his time, energy and money beautifying the Demo Garden for spring in front of the extension office. Thank you to Ted McGowan for all his work. The University of Florida, Martin County Extension Service is located at the north entrance of the Martin County Fairgrounds. For more information concerning the Master Gardener Program please call 288-5654.
